Heard of it a hard trader with a sharp eye, knows how and should have been a good deal of the way but for the fact that he was not all the job and satisfaction in it.

He stated the man admitted to the fact while under the weight of a grade, but he refused to stop the work of unscrupulous profit but that was most of the work in the country in getting a grade of the work and that was what he kept his friendship to himself.

Unscrupulous, say where he just made it a lot of money and he had heard. The doctor

But Macky mentioned on both sides
the right pointed that industrial policy
was almost exclusively diagnosing the

Even if your right-to-environment policy

A hand-drawn poster on a piece of paper. At the top right, the word "Free" is written inside a hand-drawn box. The main title "SHIT PAPER" is written in large, bold, block letters. The word "SHIT" is filled with diagonal hatching, while "PAPER" is outlined. A large, hand-drawn flower with a long stem and two leaves is positioned to the left of the word "SHIT". Below the title, the text "8 Pieces of shit paper" is written in a casual, handwritten style. The entire drawing is done in black ink on a light-colored background.

It's sure good to be back in Indiana where democracy is as strong as the signal of country station... soon we'll be able to stroll down the streets in the package stores, walk in and beat on the lottery, maybe we could even beat an octopussy. But well... those lynchdemocrats are at it again. Heeded by post-head Bush, they want to ruin our right to free rice! Yes, because the lotteries are afraid of a little blood, they're making us wear worthless plastic hats when we ride a motorcycle. They give us some phony-beloney reason that the tax payors and us paying for medical bills when a bikar bites the pavement. Big whup. How much can doctor bills be? \$100 spell between all of us Hoosiers is prezzed o.c.v.. I mean there are 54 million Hoosiers in INOOVVVVIIIIIIN so 100 is no... no, that's not right... 100 PPOVVVIIIIIIIIIN is 54000000 dollars. Well, I'd like to stay longer and get these figures straight but nurse just came in with my thoracic shot... and uh...

As Brother Benjo said we are back to frolic in the trees of Hoochieville. But with some changes . . . Philthy Enrude has been picked up by a bigger ball team doing photo shoots of local politicians in exotic poses with corn. We wish him well and he always has a place in the minor league of papers. Taking up the slack may be hard but we got a new Cub.

He's a writer, he's a stoner, but above, he's a Banjo Boy. Trout Fishing in America has been financially down-trodden, but we're expecting a rebound as soon as he gets the Flying Tomato pizza slice out of his can. Howie Mushnoggin is getting just bill to mushed in his noggin . . . he got involved in some kind a toxic waste dump at a Sig Hl El party . . . and Sunshine Smartass is just as busy as a corndog trying to sell free lottery tickets at the Muncie Mission.

Brother Benjo's Morality Review is produced from the highest grade of Chemin toilet paper. Printed on an irregular basis by the Mortuary Press, it comes in both in flowery prints and deodorized "fresh mint" grades. Any assumptions made about things read in this piece of literature may be treated like toilet tissue. If you wish to donate something, contribute sacred bathroom "mints" or just complain about dingleberries, call us 282-5461 or write on a stamped self-addressed mini-post to 1109 W. Ashland, Muncie, IN 47303. REMEMBER: We will print anything... if the price is acceptable.

With 2500 members, the Secret Jesus Fan Club is going to have it's first retreat, yea, as holy as Jimmy Swaggert is sexy we will meet at the largest indoor religious festival ever held in Muncie sometime in March. Look for plans. The price will be low... what you can give... spare change... argyle sweaters... fish.

You can also become a member of this highly acclaimed youth (remember to put the you in youth) group for only a dollar... become a lifetime member... get stickers, a handy wall decorator, and the decoder. Join and enjoy.

QUAYLE

The Right-Wing

Loony

Four days before little Danforth J. Quayle was elected to the nations second highest office of the United States, a convict named George Hossings stepped forward and accused Quayle of purchasing "pot" and other dangerous narcotics on a steady basis. Hossings is currently serving a 50 year sentence at the El Reno Federal Correctional Institute for smuggling marijuana, committing several bombings in Indianapolis and for sexually assaulting a police horse at the Indianapolis 500.

Our esteemed editor, the smelly lizard himself, flew to El Reno, Nevada to get this semi-exclusive story. And here are some excerpts from the interview.

BB. So when did your first sell dope to danny boy?

GH. Well I'd say it was back about 67 or 68. I was living up in Muncie going to school, but mainly selling drugs. Danny didn't go to school here, he just mainly came up to buy drugs and sample prostitutes in nearby Chesterton.

BB. What kind of drugs did he buy?

GH. Well he mainly bought doob and hash, but occasionally he'd buy some trips. I'd always sell him my cheapest shit because he was to stupid to tell the difference. Ya it was a real gas selling to him. Ill tell you the wildest thing about the little snot, he always had me meet him at a drive-in on Jackson street, in fact I think its still there, anyway he always came in a long pink evening dress and high heels. He'd walk over to my car and say "can i squeeze your melons", that was his pass word for show me the shit. I always thought that was kind fruity, but hey, he paid hard cash. Anyway, when I'd give him the herb or whatever, He'd ruffle the bag between his fingers and say "oh what a naughty drug fiend I am, Oh what a naughty, naughty boy I am" or he'd start singing "Putliam Cash buys the stash"

BB. When was the last time you saw danny?

GH. Well I really don't remember, I think the last time I saw him was in Indianapolis at a lingerie shop. He told me to meet him there and he wanted some coke. I sold him two grams of comet in a film canister. He called me later to thank me. He said it was the best shit he'd ever had.

County police look for
man clad in panty hose

By Debbie Morris
Staff Writer

Dearborn County Police were summoned to South Dearborn High School about 11:30 a.m. Friday, April 17, when a man appeared in the school's gym wearing a lady's teddy, a garter belt, and hose.

A group of girls were having cheerleading practice when the man came in fully clothed. He went to the corner, took off his shirt and pants, slid his clothes into the lobby, and then went into a storage room and shut the door, said Shirley Geisler, cheerleading sponsor.

Geisler told Joe Greb, head maintenance man at SDHS, to call the police. The man then ran out of the

room, grabbed his clothes, ran out of the gym and took off in a blue station wagon. Geisler was able to get a license plate number.

Mervin Foods, U.S. 94, Aurora, also received a visit from the partially clothed man. About 8:30 p.m., a woman came in the store and on the same scene the SDHS gym earlier. As the woman the man jumped out of a car in his favorite apparel.

Store owner August Rios and manager Ken Madlin ran outside only to see the man jump into a small blue station wagon and take off, said Madlin.

Pairdown Tom Cochran and Gus Kent are investigating the incidents. They have a suspect, said Kent.

Are There Really Dark Rings Around Uranus?

Ah, yes! We find our hero about to be accosted by the Fraternal Order of Fart Sniffers. Hey, hey what's going on here says banal anal of crusty butt fame? Yes, banal anal is the ring leader here, a bona fide asswipe supreme. It was a glorious day, because the food services had served beans and spam that afternoon, and in the evening it was bran type fart foods galore!!! The boys knew they were going to sniff all night and light butt flame throwers with their fart lighters.

So the party was about to begin. The little sis farters found their drunken way to the fart party. This would be a night of flatulence to remember. Gas City would have been proud! The evening began with bran scarfing fiber fart blowing. But the boys (and I mean boys) weren't sated long with the single type bran farts. So they proceeded to step up the fart fest with prune-electro-juicy farts. Once the fart boys wiped up that mess, they progressed to multiple fart type farting (ah the smell of it). It was cheese galore as they began cutting for the entire evening...The climax of extracting buttall odors. THE EVER FAMOUS BEER FARTING!!!

Yes, at this point everyone was in a multiple fart-gasm mood. Amazingly enough, the little sis farters (fart groupies they are commonly called around these here majestic parts) joined in voluntarily. A gang fart was erupting...They were farting in the corner, on the stairs, and in the attic...oh, and those butt juices were seeping out down the bannisters and through cracks in the attic floor. They party farted until five in the morning when the sun finally decided to come out...everyone passed out and dazed from the gas attack for some odd reason awoke simultaneously as a lone stranger walked into the door of the fart house...The crowd looked in awe as he was about to light up his smoke...and the whole fart house blew to smithereens..... taking the lone stranger and all the farters and the little sis farters with them...The moral of the story? There ain't no fucking moral, this is Brother Banjo's fucking Morality review!!!

the Stevie (CAT) BARGER STORY

We all have a part to do in helping our society. Here at Learning Records, all of us, including Steven Barger and the Altruists are just trying to help our society. We need to get on the radio to do it, though, and we need your help. Please help us help our society by calling these local request lines to ask for our records, preferably daily. We've included a suggested request song for each. We've included Indianapolis numbers for two major stations if you really want to help our society a lot. We sure appreciate your help. Thanks!

Steve Barger and the Altruists? A new age band of believers? Media ravens? Or just every day musicians who know you got to break an arm to bend an ear? These are just questions, but if you want answers, follow the info above and below, and so purchase Steve's EP-cassette at a store, but by god don't come to me with questions... you scamps, cause I only listen to music I don't fuckin' talk about it... you creampuffs. 33&33

EARTH DAY REVIEW 1990

As one approached the Earth day tent on a rainy Friday afternoon, one was greeted by a TCBV saleswoman eagerly awaiting to sell you a styrofoam cup full of processed shit. When one got inside the tent, one was bombarded with free stuff like plastic bags and other shit that people could immediately throw away. It was a really soggy Earth Day.

Welcome back friends and enemies, once again we've tossed our moral fibers out the bathroom window to produce yet another issue of BROTHER BANJO'S MORALITY REVIEW (VOL 4 #1). We've come along way from a print shop in Shedd town to cheating Pips out of free copies. Now we're Muncie wide with offices all over Light street and a balanced budget. Don't be suprised if we usher in the new millenium with affirmative action on our minds. We've got a full time chick on the staff. Brother Banjo is printed on all recylable paper and we are endorsed by Steve Coker and the Good Housekeeping's seal of approval.

Current Status of FOUNDING FREAKS.

Despite rumours or thier timely exeperations, the banjo boy's didn't quite make it to heaven. They stopped somewhere between Hell and Ball State, also known as the real world.

BROTHER BANJO, THE FEARLESS LIZARD: After being bounced out of every rehab clinic in America, found a job in Oblong, Illinois as a seamstress.

SUNSHINE SMARTASS: After traveling to such notable towns as Las Vegas, Nevada, Columbus, Ohio, and Elrod, Indiana, he eventually went broke as a male model and collects welfare.

HOWIE MUSHNOGGIN: He got his Ball State enviromental degree and used it to it's fullest potential. He was employed as a crop duster until he was shot down by Japanese zeros over the fields of Muncie.

PHILTHY ENRUDE: Married Mary Ellen and now lives on Waltons Mountain.

TFA: Arrested as a sex offender in Boise, Idaho. Fortunately the squirrels and nine-year olds escaped unharmed. His current whereabouts are unknown.

PENROD PERIWINKLE: Still a proud Hudephol hoist'in, cowboy librarian in search of higher education and new ways to cop narcotics at ther health center.

DELEWARE CHAPTER OF THE UNION OF "UNCLE ANARCHIC STUDENT SOCIETY D-UMASS

THE DUMBASS (D-UMASS) MET LAST WEEK AT THE "BLOCK" FOR THEIR MONTHLY POW-WOW. THE DUMASS MEMBERS, OR DUMMIES, AS THEY CALL THEMSELVES, ARE DEDICATED TO FURTHERING ANARCHY AND RELATED ISSUES. THIS MONTH'S THEME WAS "ORGANIZE-ORGANIZE-ORGANIZE."

SEVERAL COMMITTEES WERE SET UP TO STUDY DIVERSE QUESTIONS ABOUT FLAG-BURNING, FUNDING THE REVOLUTION AND HOW TO COME UP WITH A DETAILED, RIGOROUS PLAN TO THE CONSTRUCTION OF RULE-FREE, NON-GOVERNMENT. OUTSIDERS ASKED ABOUT THE FEASIBILITY OF HEALTH CARE, TRANSPORTATION, AND EDUCATION WITHOUT ORGANIZED EFFORT AND TAXES. THE COMMITTEE FOR SELF-DETERMINATION, "SUNSHINE" AYREHEDDE, REPLIED, "IN THE NEW SOCIETY WE ALL TEACH EACH OTHER AND CARE FOR EACH OTHER, YOU'LL SEE."

THE COMMITTEE FOR SOCIAL INJUSTICE AND MISUNDERSTANDING DREW UP A MANIFESTO DICTATING COLLECTIVE BARGAINING IN CASES OF BEDTIME NEGOTIATION. IT ALSO MANDATED ARBITRATION IN SETTling SOCIAL QUESTIONS CONCERNING PARENTAL TRANSPORTATION (LIKE BORROWING CAR) AND THE GROWING PLEATHER/LEATHER DEBATE. SAYS RATBOV, AGE 14, "WHEN I GROW UP I DON'T WANT NO FUCKING BOURGEOIS LAWS LIKE MY FUCKING PARENTS."

THE AD-HOC COMMITTEE FOR SLOGANS AND FASHION SET UP LAST MONTH GAVE ITS REPORT TO THE OFFICERS. THEY DECIDED THE OFFICIAL SONG WAS "OUT OF STEP" BY MINOR THREAT. THE OFFICIAL SLOGAN IS "WHAT THE FUCK ARE YOU LOOKING AT?" AND THE OFFICIAL COLOR IS FLAT DARK BLACK WITH EBONY STREAKS.

TOWARDS THE END OF THE MEETING, THE REFRESHMENT COMMITTEE ANNOUNCED THAT NO LSD OR CRACK COULD BE SCORED. THIS WAS THE CRUX OF THE BISCUIT AND STARTED A BREAKDOWN IN MORALE.

DUE TO POLITICAL INFIGHTING BETWEEN THE VEGIN AND THE AD-HOC PARTIES, THE SPEAKER BURNT A PLASTIC FLAG WHOSE ACRID SMOKE FACILITATED THE CLIMB OF THE HALF-WIT TWO-BIT, CELIBATE BISEXUAL DRAGQUEEN LIBERTARIAN PARTY. THE AFOREMENTIONED ACTUALLY BEGAN MOUNTING THE MASCOT OF THE AD-HOC PARTY, A DRUNKEN DONKEY. THE ENRAGED AD-HOGERS RESPONDED IN KIND BY DECLARING GLORIA STEINEM TO BE THE MOTHER OF SATAN. THEN EVERYONE GOT STONED AND WATCHED "THE SIMPSONS".

I read my poems to my love last night, he wept, and I threw up, and then he shoved a hot poker up my ass.

I saw my Big toe today, it smiled at me with a glistening grin,

HE IS SUCCEEDED BY HIS BROTHER DAVE, THE ONION FARMER, HIS SISTER RACHEL VAN VLIET AND HIS FATHER, TROUT-FISHING-IN-CANADA. HIS MAIN CONTRIBUTIONS TO SOCIETY WERE HIS FAMILY-ORIENTED STORIES AND, ACCORDING TO GUINNESS, THE WORLD'S LARGEST SPIT-CUP COLLECTION.

HE IS SUSPECTED OF BEING REINCARNATED AS A DEAD SLICE OF 'EL TACO' RESIDING IN A DARK CORNER OF THE FLYING POTATO. DONATIONS OF SHOWER CAPS MAY BE SENT TO THE MORTUARY PRESS.

SUNSHINE SMARTASS, AGE 6, FROM HYMIETOWN, INDIANA WAS PRONOUNCED DEAD ON ARRIVAL AT BALL MEMORIAL HOSPITAL SATURDAY. ACCORDING TO WITNESSES, MR. SMARTASS WAS TRYING TO SELL HIS BOOK 'HOW I MADE \$13 IN THE STOCK MARKET' AT A TACO STAND WHEN VIOLENCE ERUPTED. AUTOPSY REPORTS STATED THAT THEY PULLED 8 OF THE HAWBACK BOOKS AND AN UNDETERMINED NUMBER OF TACOS OUT OF HIS ASS. HIS DYING WORDS WERE 'FORGIVE THEM LORD FOR THEY ARE TOASTER OVENS.' HE IS SUCCEEDED BY HIS DOG, TIFFY SMARTASS, THE SOLE HEIR TO HIS ESTATE. VISITATION IS ON MONDAY AT MEER'S MORTUARY. IT WILL BE A CLOSED CASKET.

HOWIE MUSHNOGGIN, AGE 17.25, PERMANENT MUNCIE RESIDENT, DIED YESTERDAY AFTER FALLING INTO A CISTERN, CAUSING HIM TO BE 15 MINUTES LATE FOR DINNER. HIS SKELETON WAS LATER IDENTIFIED BY FRIENDS AND FAMILY. MUSHNOGGIN, A BALL STATE SCHOLAR FOR 5 YEARS, IS SURVIVED BY HIS LARGE CATHOLIC FAMILY WHO WILL DIVIDE HIS FORTUNE EQUALLY. MUSHNOGGIN WAS THE FIRST IN THE COUNTRY TO WILL HIS STOMACH TO SCIENCE. DONATIONS WILL BE PUT INTO THE HOWIE MUSHNOGGIN MEMORIAL ENDOWMENT FOR ENDANGERED COWS.

Brother Banjo Put Away; Review Sold Out!

Brother Banjo committed and Sister Banjo takes control and sells out to a joint buy-out by Ted Turner and Donald Trump. The buy-out is legal and binding under the Bumburner Corp(a secondary group belonging to the two businessmen) for 51% of the Morality Review stock.

Sister Banjo stated "there is no room for a dinosaur like the Morality Review in today's publishing world... Donny and Ted told me they want to revamp the mag into a new-age gospel dedicated to the busy lives of baby-boomers... and I got to keep it a family tradition since I'm the new editor."

Brother Banjo, now committed to the Yellowskin Farms Home for the Defective, said "Listen Bitch, you'll fan my danny before I'll sell out to two crooked cowshares like Trump and Tuner... I know all they want to do is colorize the Review with antiseptic neo-hippie holistic hoagie twang... when I get out of this pen I'm gonnnnn..."

PHANTASTICA: OR THE PSYCHOTOMIMETIC ODYSSEY OF DR. CREAKY AND PROF. WARY CHAPTER THREE BY BRAD BRIAN

So "Boy" how is it that you know English, so well?

Well... Basically because I finished my BAR exam! I mean Harvard Law School sucks! My prof said I talked too much... so I sold pork this shit and I became an English major. This was after a mild biology of course...

HOW TO AVOID DRUNKS, OLD PEOPLE, HICKS AND THE POLICE

IN MUNCIE

Driving around Muncie can be an experience. Especially since they think they can get away with having archaic road systems. There are a few "escape" routes and few people know of them. I am hoping the readers of this fine publication do not drive like brainless idiots and create havoc for the rest of us.

As you notice, there are a few bridges and railroad crossings in Muncie. Ha! Ha! All the better to hold you up on where you want to go they figure. You have to understand that this city lets the utility and railroad companies run roughshod over them. We're talking about those "street cuts" that are really huge potholes in disguise because of poor resurfacing by those same utility companies. And then what about those railroad crossing arms that come down and no train is in sight? We've all got a lot of time to wait for them, don't we?

Well, the thing to do is to take routes that others don't. Let's say you are at a party on Jackson St. To get to Muncie Liquors, you would go north on either Calvary, Dill, Martin or Dicks. Don't use McKinley because the cops do and all the stupid Muncie people do, too. Then go east on University to Light and then north to Riverside and then east to Muncie Liquors. No lights and just a couple of stop signs. You miss a lot of frat rats and people who are going to dorms.

A route to Big Red involves going north on Linden to catch Centennial. It is best to take North Reserve just east of Wheeling and take that north to Big Red. You avoid all the fast food traffic and also the police. By avoiding these heavily traveled routes, you may avoid tickets, fines and many inconveniences.

THIS YEARS NEWTONIAN REFLECTOR OR THE PICKLE VENDORS REVENGE

This year has been a stinking pile of refuse. Then it has smelled like roses. Yes, Yes, Bacon and eggs.

We students have rioted in the street. We have raped and pillaged and destroyed every hope that this community has of living a decent boring life. Move out you old lame lanowners on Queens, Dicks and Dill. We have taken over, and we are not going to stop trashing your yards, cooking your pets and stealing your trash cans until You GET THE FUCK OUT. We need your houses and property for our decadent tankerd raising and for the overall defamation of our female party guest.

And now for other news. Tutition is going up and so is my blood pressure every time i see who's playing at Emens. I just cant take any more Mitzi Ganor All-Poodle Reviews. Who the fuck is in charge of the bookings for that place???????? Give me thrash, give me Julian Cope, give two nuns playing bongos just please dont pay the U.N.lady 50.000 again.

And in conclusion I would like to say GET THE FUCK OUT. I hope you choke on your flowers, Muncie Liquors sucks and PG is the devil personified on earth.

Very Unfaithfully yours,

Penrod Periwinkle

A DAY IN THE LIFE OF JOKEY

Mike wakes up, and roles out of bed. He can't smell himself so he doesn't change his clothes. Thinking of Al Barger he beats off. Jokey adjusts his Gumby watch so that the clock is on the inside of his wrist. Now it's time for lunch. He has no money so he steals beef jerky from the local convenience store. At the store Jokey sees Prince. He immediately startsgushing over all the bands he's been in and tells Prince that he should cover a song he wrote callad killing. Prince's body gaurd pushes Jokey into a display of Twinkies. Feeling rejected Mike thinks of his old friend Linda. When he gets home he beats off. Afterward he listens to Hitchcock and eats his roommates food while he plays with his balls. Before he gets too far the phone rings. it's his pal R Smith. They lick each others butt through fiber optics. Later that night Jokey goes to a party. He instantly annoys everyone in sight. As he gets trashed he hones in on a fat girl in the next room. Before she knows it they are in the bathroom. In his drunkenness he mistakes her belly button for snatch. As his little head gets soft so does his big head. He passes out next to the toilet. Several hours latter the signpost wakes up. He goes home and beats off.

With a \$5 stuffed lizard as editor, paper wants to get people 'riled up'

BY ALAN GIRTON
Staff Reporter

If one phrase could sum up the philosophy behind the publication of Brother Banjo's Morality Review, it would have to be "take this with a grain of salt."

The four men, one woman and a stuffed lizard who make up the editorial crew of the underground newspaper that circulates free throughout Ball State, say the goal of the publication is to amuse readers while making some serious statements about the university, the administration and the students.

Apathy around the university is also a target of attack by the staff, who use pseudonyms to protect their identities and would not reveal their names for use in The Daily News.

According to Philthy Enrude, chief photographer for the off-center paper, "We want to get people riled up. It just makes me sick that nobody gets up and does anything. It's just so boring."

"We try to make fun of everything," said Rasputin Van Vilet, one of the writers. Van Vilet is the only member of the crew who is

and Enrude, who is a sophomore majoring in telecommunications, other staff members of the Morality Review are \$un\$shine \$martas\$, executive editor and a junior majoring in telecommunications; Amy Howitzer, the typist/secretary and a freshman elementary education major, and the editor, Brother Banjo himself, a real stuff lizard.

Mushnogg picked up Brother Banjo at a flea market in Friendshi, Ind., for \$5 and the group made it the mascot and chief editor. The lizard, which suffers from a broken tail patched by a faulty bandage, also is proclaimed by Howitzer to be a nicotine addict.

According to \$martas\$, anonymity is a protection device used by the group only to prevent people from pounding down their door.

"We give plenty of clues as to who we are, plus real telephone numbers and addresses with which they can contact us," he said.

One of the few problems faced by the crew is a lack of public reaction to its work. Very few remarks, letters or telephones calls are made to the students about the paper's content, no matter how critical or
